

Dear Customer,

Laplace System Co., Ltd.
<https://www.lapsys.co.jp/en/>

**Notice of the end of sales and partial support
for Solar Pro 4.8 (English, Korean, Taiwanese) due to version upgrade**

Thank you very much for your continued patronage of our products.

Now, regarding our long-standing beloved product **Solar Power Generation System Simulation Software Solar Pro**, we will be discontinuing the sales and some support for **Solar Pro 4.8 (English, Korean, Taiwanese)**. We apologize for the inconvenience this may cause, and thank you for your understanding.

This summer, we're planning to upgrade to **Solar Pro 5.0** and release the **Network Authentication Edition**.

We will continue to do our utmost to deliver products that satisfy our customers, so we appreciate your continued patronage.

-Note-

◆End of sales information
